## **Feedback**

### **South Philipston Bing**

*Interest in the plans for restoring South Philipston Bing, and what this will look like in the future. Attendees requested more specific information on what the restoration will be.*

### **Net Zero**

*Visitors enquired what the Estate is doing around net-zero at a household level, particularly relating to tenement insulation and the possibility of heat pumps.*

*More information on how Hopetoun Estate is dealing with the climate crisis and sustainability was flagged by visitors of the event.*

## **Recommendations for the future**

*“More information on future plans, with details on what residents can expect.”*

*“An annual meeting would be good to stay up to date.”*

*“It would be good to see the plans for development proposals.”*

*“Sending out the presentation in an email/leaflet would be useful and easier to digest.”*
